

## 9. MUNICIPAL CODE VIOLATIONS

The City's policy is that violators shall first be given a courtesy warning notice prior to a citation carrying a fine, except in flagrant cases of negligence, aggravated behavior or where immediate attention is required to abate public health and safety issues. In addition to the City bail/fine amount noted, all citations will include a municipal court penalty assessment that ranges from \$51.00 for a \$25.00 fine, to \$510.00 for a \$300.00 fine.
