MINUTES
CITY OF OJAI ARTS COMMISSION
FEBRUARY 19, 2015

Chair Christine Golden called the regular meeting of the Arts Commission to order on Thursday, February 19, 2015 at 6:30 p.m. in the Council Chambers of Ojai City Hall, 401 S. Ventura St., Ojai, California.

1. ROLL CALL
On the call of the roll the following Commission Members reported present: Michael Addison, Roger Conrad, Christine Golden, Pamela Grau, Linda Harmon, and Heather Stobo. Absent: Bobbi Balderman

Also present: Staff Liaison Steve McClary and City Council Liaison William Weirick

2. PUBLIC COMMENT
Linda Epstein Clark, Ojai, spoke on issues with the development project at Weils Academy, which is below Persimmon Hills, the development she lives in. She said she was not notified of the project, records in the city differ from what is being proposed/developed, and the project violates the General Plan.

Cynthia Weirick, Ojai, asked why this Commission is not a 501C3 organization. She said art organizations in Louisiana, where she is from, were 501C3 organizations, so then the Commission would be able to accept donations. She also said the "Collection" link on the Arts Commission website is not working.

Deputy City Manager Steve McClary said the Art Commission is part of the city of Ojai. He said according to Charitable Donations, Section 170C1 of the Internal Revenue Code, donations are tax deductible, if made for public service.

3. APPROVAL OF MINUTES
Commissioner Harmon asked for the minutes to be amended as follows:
Page 3 – Item e – change last sentence of the 2nd paragraph to “She thought the program would be worth the effort” and strike the sentence in the seventh paragraph staring with “Commissioner Harmon felt the program ... more time.”

MOTION:
It was moved by Commissioner Conrad, seconded by Commissioner Harmon to approve the amended minutes. The vote passed unanimously. (Absent: Balderman)

4. DISCUSSION & ACTION ITEMS

A. Public Relations
Commissioner Harmon said the committee continues to work on updating the web site which is being moved onto the Word Press format. Commissioner Stobo showed what the committee has been working on.
Commissioner Grau showed the cards that will be distributed announcing the updated web site.

Commissioner Harmon asked to agendize a discussion regarding reallocation of the current budget for the Public Relations Committee and approval of the design/concept of the website cards.

B. Art Acquisitions
Commissioner Grau said the committee met but she had nothing to report at this time.

C. Awards
Selection of Lifetime Achievement in the Arts recipient
Chair Addison said the committee met and discussed the criteria for Lifetime Achievement in the Arts. He said the committee is recommending Jimmy Calire or Amanda McBroom as the Lifetime Achievement recipient for 2015. He asked to agendize discussion and award recipient for March.

D. ARTSOjai Education
Commissioner Grau reported the committee is working on the Arts21 Program for the fall.

E. Artist Mentor Program
Commissioner Stobo reported the application has been posted on-line, which is due April 17. The committee will be contacting the schools and will meet to pick artists the week of April 20. The Commission discussed the name of the program and confirmed removing the hyphen between Artist and Mentor.

Vice Chair Addison said the Ojai Art Center has agreed to donate $1,000 towards the program.

F. City Gallery:
Commissioner Stobo reported the May city gallery show will be students’ work picked by Ojai Studio Artists. The reception for the gallery will be June 6 or June 7. Staff said they will confirm the date with the city calendar. Commissioner Stobo said the current show will be up for awhile and asked if there was any desire to have a reception. The Commission agreed with holding a reception in March or April.

G. Arts Grants
No report.

H. Public Art
Chair Golden said the Public Art Committee is looking for a consensus whether or not to pursue necessary steps for an approved public art project for the Ojai Theatre Building. The Commission confirmed the committee can pursue the steps for a public art project for the Ojai Theatre.
Commissioner Conrad gave a brief history on the Theatre, which can be found at the Ojai Museum.

Deputy City Manager Steve McClary said Ojai Valley Inn applied for a remodeling permit. It included the Neff Lounge, Lobby, restaurant and pool. The Neff Lounge is exempt from the public art requirement because of its historic status, the rest is not. Staff did not tell the Inn about its public arts requirements nor was the Inn not told it was exempt from the public art requirement. On January 22 the project was valued at $2.24 million, which makes the public art requirement $32,240. The Inn was informed of the public art requirement. On January 29 the Inn made a deposit to the city of $32,240 to be held in public art fund. On January 30 Chair Golden met with the Inn representatives to discuss the public art requirement. Mr. McClary said he spoke with representatives from the Inn, who confirmed the Inn’s commitment to the public art requirement and that a proposal will be forthcoming.

Chair Golden reported on “Committee to Approve Public Art” (CAPA), which means a public body comprised of five members: three members of the Arts Commission (or others appointed by the Arts Commission), one Planning Commission representative appointed by the Planning Commission, and one member of the community with arts knowledge, appointed by the Arts Commission. The Committee shall be responsible for conceptual reviews of artwork covered by this Article, and recommendations to the Arts Commission for final review and approval or denial. She said the Committee is recommending appointing Mimi Moore to serve on CAPA.

**MOTION:**
It was moved by Chair Golden, seconded by Commissioner Conrad to appoint Mimi Moore to serve on CAPA. The vote passed unanimously. (Absent: Balderman)

Deputy City Manager Steve McClary gave an update on projects subject to Public Art Requirements: Public Art Projects for 2015 – Ojai Valley Inn, Lobby, Neff Lounge, Pool and restaurant; 2013 – Single family home in Persimmon Hill subdivision and project on Daly; 2012 – single family home in Persimmon Hill subdivision and project on Foothill. Projects approved subject to Public Art but not yet in the building permit process are 30 new residential condo’s, 412 Mallory Way and a Mixed Use Project, 611 Pearl Street. Upcoming projects which may qualify are Topa Mountain Winery, 821 W Ojai and Weil Tennis Academy, 428 Bryant.

Chair Golden reiterated public art proposals need to be submitted before building permits are issued.

I. **Budget Update**
Deputy City Manager Steve McClary provided an updated budget sheet dated January 20, 2015.
Chair Golden asked for this to be discussed at the next meeting.

(Absent: Balderman)

**MOTION:**
It was moved by Commissioner Conrad, seconded by Commissioner Golden to close the
nominations. The vote passed unanimously. (Absent: Balderman)

**MOTION:**
It was moved by Commissioner Conrad, seconded by Commissioner Golden to appoint
Commissioner Harmon as Vice Chair. The vote passed 5-1-1. (Absent: Balderman)

Commissioner Harmon suggested Commissioner Conrad be Vice Chair. Commissioner
Conrad respectfully declined.

Vice Chair Harmon asked how long the term of office is. Staff confirmed the term is for
one year.
6. **COMMISSIONER COMMENTS**

Commissioner Conrad said he appreciated the Inn advancing the funds for public art requirement. He found it ironic that the Neff Lounge is exempt from the requirement due to being historical, when the Neff Lounge is changing.

Commissioner Stobo asked if there is a way to stream-line the process in discussing the public art project for the Ojai Theatre Building.

Deputy City Manager Steve McClary explained the Brown Act restricts email communications between all commissioners without posting of a public meeting. He said it is hard to limit the communications between just the committee. He said emails can ask when to meet, date of meetings and subject. He said information can be sent. There cannot be chain conversations, but individual conversations between two commissioners can happen.

Commissioner Golden did not understand if a committee is an ad-hoc committee why the committee cannot have discussions through email. Ad hoc committees have to come forward to the entire Commission for decision making. She said not being able to use technology hampers getting work done.

7. **CITY COUNCIL LIAISON REPORT**

Council Member Weirick said it is important Commissioners watch what is going on in their area of expertise. He said due to the efforts of the Art Commission the city is in a better place. He said this Commission has stepped up and taken its responsibilities seriously and is not afraid to ask "what is going on" in regards to the issuing of a building permit before the public art requirement has been taken care of. He urged the Commission to keep the line of communication open with the City Council.

8. **STAFF LIAISON REPORT**

No report.

9. **ADJOURNMENT**

The meeting adjourned at 8:45 p.m.

Respectfully submitted:
